### USF BULL STOCK PARKING & TRAFFIC ALERTS – APRIL 6 THROUGH APRIL 9

04/04/2022

The 2022 USF Bull Stock events, scheduled for April 6 - 9 will significantly impact parking and traffic in the Lot 35 area and its surrounding parking lots. Please carefully review the impact below to determine alternative parking options.

**All vehicles left in lot 35 after 8:00am April 6, will be subject to a citation and will be towed at the owner's expense.**

Vehicles in lot 35 may relocate to the following surrounding lots with the proper designated permit: 17A, 17B, 18, 5E, 56, and Crescent Hill Garage

Parking lots will be impacted as follows:

<b>Parking Lot</b>	<b>Dates Impacted April 6,7,8 &amp; 9</b>
Lot 35	Will be closed at 8:00am on Wed., Apr. 6 through Sat., Apr. 9 for the Bull Stock Concert and Events

**Street Closures will begin on Friday, April 8 at 4:00pm**

On Friday, April 8, a portion of Genshaft Drive between Holly and the south entrance of lot 5E will be closed starting at 4:00pm for the Bull Stock Carnival and Concert. Please plan alternate travel routes on campus to avoid these areas on Friday evening.

We recommend parking in the Beard or Laurel parking garages, which both offer convenient Bull Runner shuttle service to buildings around the impacted areas. Lots 18B and 18T, located off Sycamore Drive, may also serve as good parking lot options for those who typically park in the Yuengling Center lots.
