Academic Libraries Overview

Welcome to the IPEDS Academic Libraries (AL) survey component. The purpose of the AL component of IPEDS is to collect information on library collections, library expenses, and library services for libraries in degree-granting postsecondary institutions.

Changes to reporting for 2019-20

There are no changes to this survey component.

For 2020-21 changes, please review the preview screens available on the [Survey Materials](#) page.

Data Reporting Reminders

Report all data for fiscal year (FY) 2019. Fiscal Year 2019 is defined as the most recent 12-month period that ends before October 1, 2019, that corresponds to the institution's fiscal year.

Coverage

Include data for the main or central academic library and all branch and independent libraries that were open all or part of the Fiscal Year 2019. Branch and independent libraries are defined as auxiliary library service outlets with quarters separate from the central library that houses the basic collection. The central library administers the branches. Libraries on branch campuses that have separate IPEDS unit identification numbers are reported as separate libraries.
