- Passport and Visa fees

ESC Rennes School of Business, France

The ESC Rennes School of Business, located in the heart of Brittany with a determinedly international orientation, has approximately 3,000 students and aims to transmit its commitment to entrepreneurship and to sustainable development to current and future business leaders. Its teaching and research, firmly based on the notions of discovery, understanding, diversity and responsibility, are designed to prepare managers and entrepreneurs for globalization.

USF also offers a dual degree program that awards students a Bachelors/Masters from ESC Rennes. For more information about the university please visit: www.esc-rennes.fr.

How To Apply

All applications must go through the USF Education Abroad Office and the USF College of Business, not the host school. Exchange programs are competitive, and students must submit the following documents to the Education Abroad Office:

- ◆ Study Abroad Application Packet
- ◆ College Transcripts
- ◆ Personal Statement
- ◆ Letter of Recommendation

Students are advised to begin their application at least three months before the deadlines as the process of acquiring the documents can be cumbersome.
