# CAREER THEORY

---

**COM 7933 - 001 / CRN: 11267**

**Wednesdays 2:00 - 4:45 PM**

**CIS 3057**

This graduate seminar is designed to explicate the meanings of work and career in mediated and face-to-face contexts, in diverse cultures nationally and globally, with special considerations of mentoring, work-life issues, work acceleration, structural opportunities and constraints, and understandings of career in academe.
