
JULIANA E. FRENCH, Ph.D.

Department of Psychology
University of South Florida
St. Petersburg, FL

Email: julianafrench@usf.edu
Website: www.julianaEfrench.com

EMPLOYMENT

2024 – present Assistant Professor, Department of Psychology
University of South Florida, St. Petersburg, FL.

2021 – 2024 Assistant Professor, Department of Psychology
Oklahoma State University, Stillwater, OK.

2015 – 2021 Graduate Teaching Assistant & Course Instructor
Florida State University, Tallahassee, FL

2013 – 2015 Graduate Research Assistant
Villanova University, Villanova, PA

2009-2013 Red Clay Consolidated School District
Wilmington, DE
Teach for America, Delaware Corps (2009-2011)

EDUCATION

Ph.D., Social Psychology (2021)
Florida State University, Tallahassee, FL

M.S., Experimental Psychology (2015)
Villanova University, Villanova, PA

M.E., Education (2011)
Wilmington University, New Castle, DE

B.S., Psychology, Minor in Biological Anthropology (2009)
Loyola University Chicago, Chicago, IL

PUBLICATIONS

**Denotes supervised undergraduate student*

French, J. E., & Meltzer, A. L. (2018). Mate choice effects. In T. Shackelford & V. Weekes-Shackelford (Eds.), *Encyclopedia of Evolutionary Psychological Science*. Cambridge University Press.

ONGOING RESEARCH PROJECTS

French, J. E. (Underway). The Oklahoma State Marriage Project: A dyadic, longitudinal investigation of hormonal, behavioral, cognitive, and attitudinal influences on marital outcomes.

French, J. E., Meltzer, A. L., Bansal, V., Campbell, H., & McNulty, J. K. (Underway). Ecological momentary assessment of men's and women's daily experiences of in-pair versus extra-pair dyadic sexual desire.

French, J. E., & Kim, J. J. (Underway). Investigating the impact of hormonal contraceptives on women's attentional vigilance to romantic rivals.

Peters, S. D., **French J. E.**, Hendrickson, J., Meltzer, A. L., & Maner, J. K. (Underway). Short and long-term dual-mating systems.

CONFERENCE & PROFESSIONAL PROCEEDINGS

Invited Talks and Panels

French, J. E., Hill, S. E., & Makhanova, A. (August, 2023). Current and new directions in hormonal contraceptives research. Invited panelist at the annual meeting of *Fly-Over State Scientists Integrating Evolution*.

French, J. E. (January, 2023). Integrating relationship science with functional perspectives to advance knowledge on long-term relationship formation, maintenance, and dissolution. Invited talk at the University of California Los Angeles.

French, J. E. (February, 2021). Evolved mechanisms for established relationships in the modern environment. Invited talk at the Evolutionary Psychology Preconference at the annual meeting of the *Society of Personality and Social Psychology*.

Chaired Symposia

French, J. E., & Meltzer, A. L. (June, 2021). Novel insights into the hormonal processes underlying female sociality. Symposium at the annual meeting of the *Human Behavior and Evolution Society*, “Virtually everywhere.”

French, J. E., & Meltzer, A. L. (February, 2020). Evolutionary mismatches for relationships, politics, and goal pursuit. Symposium at the annual meeting of the *Society for Personality and Social Psychology*, New Orleans, LA.

French, J. E. (March, 2018). After ‘I do’: Factors predicting marital outcomes. Symposium at the annual meeting of the *Society for Personality and Social Psychology*, Atlanta, GA.

Oral Presentations

French, J. E., Makhanova, A., & Meltzer, A. L. (June, 2023). Adaptive calibration of dyadic sexual desire is sex differentiated and disrupted by hormonal contraceptives. Talk presented at the annual meeting of the *Human Behavior and Evolution Society*, Palm Springs, CA.

French, J. E., Makhanova, A., & Meltzer, A. L. (April, 2022). Adaptive calibration of dyadic sexual desire is sex differentiated and disrupted by hormonal contraceptives. Virtual talk presented at the annual meeting of the *Northeastern Evolutionary Psychology Society*.

French, J. E., McNulty, J. K., Makhanova, S., Eckel, L., Nikonova, L., & Meltzer, A. L. (June, 2021). Examining the extent to which testosterone and sociocultural factors explain women’s (versus men’s) lower dyadic sexual desire. Virtual talk presented at the annual meeting of the *Human Behavior and Evolution Society*.

French, J. E., & Meltzer, A. L. (February, 2020). Hormonal contraception: A possible evolutionary mismatch for relationships. Talk presented at the annual meeting of the *Society for Personality and Social Psychology*, New Orleans, LA.

French, J. E., & Meltzer, A. L. (April, 2019). The implications of fluctuating birth control: Changes in hormonal contraceptive congruency are associated with women’s relationship outcomes. Talk presented at Graduate Research Day at Florida State University, Tallahassee, FL.

French, J. E., Altgelt, E. E., & Meltzer, A. L. (July, 2018). When forced to choose, do women prioritize investment potential or commitment in a long term partner?. Talk presented at bi-annual meeting of the *International Association for Relationship Research*, Fort Collins, CO.

French, J. E., Altgelt, E. E., & Meltzer, A. L. (April, 2018). The implications of sociosexuality for marital satisfaction and dissolution. Talk presented at Graduate Research Day at Florida State University, Tallahassee, FL.

French, J. E., Altgelt, E. E., & Meltzer, A. L. (March, 2018). The implications of sociosexuality for marital satisfaction and dissolution. Talk presented at the annual meeting of the *Society for Personality and Social Psychology*, Atlanta, GA.

French, J. E., Altgelt, E. E., & Meltzer, A. L. (November, 2017). The implications of

sociosexuality for marital satisfaction and dissolution. Talk presented at the annual meeting of the *Society for Southeastern Social Psychologists*, Atlantic Beach, FL.

French, J. E., & Meltzer, A. L. (June, 2017). Partner attractiveness differentially predicts men's and women's relationship satisfaction among maximizers but not among satisficers. Talk presented at the annual meeting of the *Northeastern Evolutionary Psychology Society*, Binghamton, NY.

French, J. E., Meltzer, A. L., & Maner, J. K. (November, 2016). Perceived partner commitment and male mate guarding: The moderating role of hormonal contraceptive use. Talk presented at annual meeting of the *Society for Southeastern Social Psychologists*, Asheville, NC.

French, J. E., Meltzer, A. L., & Maner, J. K. (June, 2016). Perceived partner commitment and male mate guarding: The moderating role of hormonal contraceptive use. Talk presented at annual meeting of the *Northeastern Evolutionary Psychology Society*, Halifax, Nova Scotia, CA.

Poster Presentations

★ Denotes supervised graduate student

* Denotes supervised undergraduate student

*Meredith, M., **French, J. E.**, Tolliver, M., Mengelkoch, S., Bloshinsky, A., Hastings, S., Hill, S. E., & Makhanova, A. (August, 2023). Women's intrasexual competitiveness varies according to their hormonal contraceptive use and progestin androgenicity. Student poster presented at annual meeting for Flyover State Scientists Integrating Evolution, Fayetteville, AR.

★ Bansal, V., **French, J. E.**, Altgelt, E. E., & Meltzer, A. L. (August, 2023). A short-term mating strategy may help fulfill maximizing women's desires to find "the best" partner. Student poster presented at annual meeting for Flyover State Scientists Integrating Evolution, Fayetteville, AR.

★ Kim, J. J., **French, J. E.**, Lee, H. E., Cheon, J. E., & Kim, Y. H. (August, 2023). Neuroticism and relationship investment: The role of motivational dispositions to avoid reproductive failure. Student poster presented at annual meeting for Flyover State Scientists Integrating Evolution, Fayetteville, AR.

★ Bansal, V. R., **French, J. E.**, Altgelt, E. E., & Meltzer, A. L. (May, 2023). Maybe it's me, maybe it's ovulation: Functionally biased errors in self-perceived attractiveness across two ovulatory cycles. Student poster presented at annual meeting of the *Human Behavior and Evolution Society*, Palm Springs, CA.

*Meredith, M., & **French, J. E.** (April, 2023). Androgenic versus non-androgenic hormonal contraceptive use and intrasexual competitiveness among women. Student poster presented at the Undergraduate Research Symposium at Oklahoma State University, Stillwater, OK.

*Jackson, E., ★Bansal, V. R. **French, J. E.** (April, 2023). Variability in dyadic sexual desire: Examining sex differences in ecologically assessed experiences of extra-pair and in-pair sexual desire. Student poster presented at the Undergraduate Research Symposium at Oklahoma State University, Stillwater, OK.

- French, J. E., & Meltzer, A. L.** (May, 2019). Recalibrating the hormonal contraceptive congruency hypothesis: Longitudinal changes in congruency status predicts women's satisfaction. Poster presented at annual meeting of the *Human Behavior and Evolution Society*, Boston, MA.
- French, J. E., & Meltzer, A. L.** (February, 2019). Do hormonal contraceptives influence the sexual relationship?: Within-person associations may help to explain recent failures to replicate. Poster presented at annual meeting of the *Society for Personality and Social Psychology*, Portland, OR.
- *Reyes, M. A., Altgelt, E. E., **French, J. E.**, Meltzer, A. L., & McNulty, J. K. (March, 2018). Who is sexually faithful?: Own and partner personality traits as predictors of infidelity. Student poster presented at annual meeting of the *Society for Personality and Social Psychology*, Atlanta, GA.
- *Espinal, K., *Alicea-Lozada, L., **French, J. E.**, Altgelt, E. E., & Meltzer, A. L. (November, 2017). Material girl or stand by me?: Women prioritize commitment over earning potential in long-term partners. Student poster presented at annual meeting of the *Society for Southeastern Social Psychologists*, Atlantic Beach, FL.
- French, J. E., & Meltzer, A. L.** (June, 2017). Partner attractiveness differentially predicts men's and women's relationship satisfaction among maximizers but not among satisficers. Poster presented at annual meeting of the *Human Behavior and Evolution Society*, Boise, ID.
- French, J. E., & Meltzer, A. L.** (April, 2017). Partner attractiveness differentially predicts men's and women's relationship satisfaction among maximizers but not among satisficers. Poster presented at annual Graduate Research Day at Florida State University, Tallahassee, FL.
- French, J. E., & Meltzer, A. L.** (January, 2017). Partner attractiveness differentially predicts men's and women's relationship satisfaction among maximizers but not among satisficers. Poster presented at annual meeting of the *Society for Personality and Social Psychology*, San Antonio, TX.
- French, J. E., Meltzer, A. L., & Maner, J. K.** (April, 2016). Perceived partner commitment and male mate guarding: The moderating role of hormonal contraceptive use. Poster presented at annual Graduate Research Day at Florida State University, Tallahassee, FL.
- French, J. E., Meltzer, A. L., & Maner, J. K.** (January, 2016). Perceived partner commitment and male mate guarding: The moderating role of hormonal contraceptive use. Poster presented at annual meeting of the *Society for Personality and Social Psychology*, San Diego, CA.
- French, J. E., Muttitt, K., Lee, Y., Brooks, B., & Markey, P. M.** (May, 2015). Interpersonal effects of fitness on aggression directed toward intrasexual competitors in a mating context. Poster presented at annual meeting of the *Society for Interpersonal Theory and Research*, Toronto, CA.
- Mahar, E., Grom, J., Oltmanns, J. R., **French, J. E.**, & Markey, P. M. (May, 2015). Interpersonal problems and mismatch to ideal relationships. Poster presented at annual meeting of the *Society for Interpersonal Theory and Research*, Toronto, CA.

French, J. E., & Slotter, E. B. (February, 2015). He loves me, he loves me not: Mate value predicts women's relationship-specific attachment anxiety. Poster presented at annual meeting of the *Society for Personality and Social Psychology*, Long Beach, CA.

French, J. E., Good, E. G., Brinkman, C. S., & Markey, P. M. (June, 2014). Changes in real-time complementarity in female same-sex couples. Poster presented at annual meeting of the *Society for Interpersonal Theory and Research*, New Haven, CT.

Oltmanns, J. R., **French, J. E.**, *Liberta, T., & Markey, P. M. (June, 2014). Physical attractiveness within romantic dyads and mate retention tactics. Poster presented at annual meeting of the *Society for Interpersonal Theory and Research*, New Haven, CT.

RESEARCH AWARDS & RECOGNITIONS

2023 Best Graduate Student Poster Award
 Graduate student mentee: John Kim
 Flyover State Scientists Integrating Evolution
 Title: *Neuroticism and relationship investment: The role of motivational predispositions to avoid threats to reproductive success.*

2023 Research award to attend the *Society of Personality and Social Psychology* conference
 2023 Spring Travel Program
 College of Arts and Sciences, Oklahoma State University

2022 Dissertation Award Nominee
 Society for Experimental and Social Psychology (*SESP*)

2022 Glee Holland Dissertation Award Nominee
 Department of Psychology, Florida State University

2020 Research and Creativity Award Nominee
 Department of Psychology, Florida State University

2020 SPSP Outstanding Research Award [\$100]
 Society for Personality and Social Psychology
 Title: *Hormonal contraception: A possible evolutionary mismatch for relationships.*

2019 Best Social Psychology Graduate Student Publication [\$150]
 Florida State University

Title: *Maximizing tendencies in marriage: Accentuating the implications of readily observable partner characteristics for intimates' satisfaction.*

- 2019 Graduate Research Day Oral Presentation Award [\$500]
Florida State University
Title: *The implications of fluctuating birth control: Changes in hormonal contraceptive congruency are associated with women's relationship outcomes.*
- 2019 SPSP Graduate Student Poster Award, Finalist
Society for Personality and Social Psychology
Title: *Do hormonal contraceptives influence the sexual relationship?: Within-person associations may help to explain recent failures to replicate.*
- 2018 Graduate Research Day Oral Presentation Award [\$200]
Florida State University
Title: *The implications of sociosexuality for marital satisfaction and dissolution.*
- 2018 Ermine M. Owenby, Jr., Fund to Promote Excellence [\$500]
Florida State University
- 2018 Conference Funding [\$115]
International Association of Relationship Research
- 2017 Jane West Fellowship [\$500]
Florida State University
- 2017 Graduate Student Travel Award [\$500]
Society for Personality and Social Psychology
- 2016 Best Student Oral Presentation [\$80]
Northeastern Evolutionary Psychology Society
Title: *Perceived partner commitment and male mate guarding: The moderating role of hormonal contraceptive use.*
- 2015 Jane West Fellowship [\$1,000]
Florida State University
- 2014 Summer Research Fellowship [\$1,500]
Villanova University
Project title: *Changes in real-time complementarity in female same-sex couples*
- 2014 Graduate Studies Travel Award [\$1,000]
Villanova University
- 2014 Graduate Studies Travel Award [\$750]
Villanova University
- 2014 Travel Award [\$100]

Society for Interpersonal Theory and Research

2013-2015 Research Assistantship & Full Tuition Scholarship; *Competitively awarded*
Villanova University

TEACHING EXPERIENCE

Assistant Professor, Oklahoma State University

Spring 2023 *Intimate Relationships*
Graduate discussion seminar
(Enrollment: 4 students)

Spring 2022 *Neurobiological Psychology*
& Fall 2022 Graduate discussion seminar
(Enrollment: 12-14 students per section; 2 total sections)

Fall 2021- *Advanced Evolutionary Social Science*
Fall 2023 Graduate research and discussion seminar; Co-taught
(Enrollment: 5-8 students per section; 5 total sections)

Fall 2021- *Neurobiological Psychology*
Fall 2023 Undergraduate lecture course
(Enrollment: 44-50 students per section; 7 total sections)

Course Instructor, Florida State University

Fall 2020- *Evolutionary Psychology*
Summer 2021 Undergraduate lecture course (online due to COVID-19)
(Enrollment: 70-100 students per section; 3 total sections)

Fall 2017- *Social Psychology*
Summer 2020 Undergraduate lecture course
(Enrollment: 73-220 students per section; 7 total sections)

Teaching Assistant, Florida State University

Summer 2019 *Psychology in London* (8-weeks)
Florida State University International Programs
2 undergraduate community-learning courses
Course 1: *Individual Differences in the Psychology of Art*
Course 2: *The Moral Psychology of British History*
(Enrollment: 37 students)

Fall 2016 & *Research Methods Lab*
Spring 2017 Instructor of Record for an undergraduate laboratory section
(Enrollment: 28-30 students per section; 5 sections total)

TEACHING AWARD NOMINATIONS

- Spring 2023 Distinguished Teaching Award Nominee
Neurobiological Psychology (Undergraduate lecture course)
 Oklahoma State University
- Spring 2020,
 Summer 2020 Outstanding Teaching Assistant Award Nominee
Research Topics (Undergraduate research practicum)
 Florida State University
- Fall 2018,
 Fall 2017 Outstanding Teaching Assistant Award Nominee
Social Psychology (Undergraduate lecture course)
 Florida State University

UNDERGRADUATE MENTORING/ADVISEMENT EXPERIENCE

- Fall 2023 Teaching Assistant Advisement
 Advisee: Sophia Brown
 Course: *Neurobiological Psychology*
 Oklahoma State University
- 2023-present McNair Scholars Program Mentor
 Mentee: Brittanie Cannon
 Oklahoma State University
- 2022-present Advancing Undergraduate Research and Creative Activity (AURCA) Mentor
 Mentee: Taylor Deatherage
 Oklahoma State University
- 2022-2023 Teaching Assistant Advisement
 Advisee: Cody Whitley
 Course: *Neurobiological Psychology*
 Oklahoma State University
- 2021-present Research Advisement
 Advisees: Approximately 10-12 lab members per semester
 Romantic Relationships at Oklahoma State Lab
 Oklahoma State University
- 2021-2022 Advancing Undergraduate Research and Creative Activity (AURCA) Mentor
 Mentee: McKenzie Menefee
 Oklahoma State University
- 2020-2021 Honors Thesis Advisement
 Advisee: Elizabeth Barron
 Psychology Honors Program
 Florida State University

- 2016-2017 Honors Thesis Advisement
 Advisee: Katherine Whitley
 Psychology Honors Program
 Florida State University
- 2015-2021 Research Advisement
 Advisees: Approximately 10-15 lab members per semester
 Attraction and Close Relationships Lab
 Florida State University
- 2013-2015 Research Advisement
 Advisees: Approximately 6-8 lab members per semester
 The Interpersonal Research Group
 Villanova University

STUDENT THESIS COMMITTEES

Master's Committees

- 2023-present Vidhi Bansal, Committee Chair
 2023-present John Kim, Committee Chair
 2023-present Yunsuh Nike Wee, Committee Member
 2022-2023 Krystal Duarte, Committee Member

Comprehensive Exam Committees

- 2023-present Victoria Short, Committee Member

Undergraduate Honors Thesis Committees

- 2022-2023 Sarah Ziehme, Committee Member

PROFESSIONAL DEVELOPMENT

- 2023 *Artificial Intelligence Tools Workshop*
 Institute for Teaching and Learning Excellence
 College of Arts and Sciences, Oklahoma State University
- 2023 *Dyadic Data Analysis in SPSS*
 Dr. Robert Ackerman
 Spears School of Business, Oklahoma State University
- 2023 *Raising a Resilient Scientist*
 Mentoring Series Workshops
 National Institute of Health
- 2022 *Grant Writing Workshop Series*
 Dr. Kristen Baum, Associate Dean of Research

College of Arts and Sciences, Oklahoma State University

- 2022 *Online Course Development*
Institute for Teaching and Learning Excellence
College of Arts and Sciences, Oklahoma State University
- 2021 *Write Winning Grant Proposals*
Dr. John R. Robertson
- 2019 *Workshop on Bayesian Statistics*
Dr. David Kaplan
- 2019 *Dyadic Data Analysis with Mplus*
Dr. Thomas Ledermann
- 2019 *Open Science Workshop*
Dr. Jessica Maxwell
- 2019 *Mediation with Dyadic Data*
Dr. Thomas Ledermann
- 2017 *Computational Social Psychology*
Summer Institute in Social and Personality Psychology
Intensive longitudinal methods (Dr. Niall Bolger)
Neural network modeling (Dr. Stephen Read)
- 2017 *Self-reports Workshop*
Summer Institute in Social and Personality Psychology
Dr. Arthur Stone
