

JOHN SKVORETZ

Distinguished University Professor of Sociology & Interdisciplinary Social Sciences

Department of Sociology & Interdisciplinary Social Sciences

University of South Florida

4202 East Fowler Ave CPR 107

Tampa, FL 33620

Cell: 813.361.5734

Office: 813.974.7288

Fax: 813.974.6455

Email: jskvoretz@usf.edu

Home Address:

103 1st St E #308

Tierra Verde, FL 33715

EDUCATION

Ph.D. (Sociology) University of Pittsburgh, 1976

B.A. (Mathematics) Lehigh University, 1969

B.A. (Sociology) Lehigh University, 1969

ACADEMIC EMPLOYMENT

University of South Florida.

2016 –

Distinguished University Professor, Department of Sociology & Interdisciplinary Social Sciences. The Distinguished University Professor award recognizes senior faculty members who have distinguished themselves among their peers both within and outside the University. The title is awarded through a process of nomination and external peer review and identifies those holding it as outstanding members of their profession.

2005 – 2016

Professor, Department of Sociology.

University of South Carolina.

2005 –

Carolina Distinguished Professor Emeritus.

1995 – 2005

Carolina Distinguished Professor of Sociology. The highest honor the University of South Carolina accords any faculty member is awarded in a University-wide competition only after rigorous review of a nominee's record of continuing scholarship and general achievement. An appointment is for a term of three years, renewable only upon the demonstration of sustained outstanding accomplishment.

1986 – 2005

Professor, Department of Sociology.

1980 – 1986

Associate Professor, Department of Sociology.

1976 – 1980

Assistant Professor, Department of Sociology.

1975 – 1976

Instructor, Department of Sociology.

University of Pittsburgh.

1974

Instructor, Evening Program.

ADMINISTRATIVE POSTS

University of South Florida.

8/2016 – 8/2017

Interim Director, School of Public Affairs.

2/2005 – 8/2008	<i>Dean, College of Arts and Sciences.</i>
	University of South Carolina.
7/2003 – 1/2005	<i>Interim Dean, College of Liberal Arts.</i>
2002 – 2003	<i>Associate Dean, College of Liberal Arts.</i>
2001 – 2002	<i>Special Advisor to the Dean, College of Liberal Arts.</i>
2000 – 2001	<i>Interim Chair, Department of Sociology.</i>
1984 – 1994	<i>Chair, Department of Sociology.</i>
1976 – 1984	<i>Director of the Undergraduate Program, Department of Sociology.</i>

AWARDS AND HONORS

2020	Outstanding Faculty Award, University of South Florida.
2019	Fulbright Fellow, Republic of Poland.
2017	Outstanding Faculty Award, University of South Florida.
2015	Honorable Mention, Robert K. Merton Analytical Sociology Best Paper Award from the International Network for Analytical Sociology for "Diversity, Integration, and Social Ties: Attraction versus Repulsion as Drivers of Intra- and Intergroup Relations." <i>American Journal of Sociology</i> 119: 486–517.
2015	Bruce H. Mayhew Memorial Lecturer, Department of Sociology, University of South Carolina.
2014 – 2023	Invited Instructor, ICPSR Summer Program in Quantitative Methods of Social Research, University of Michigan, Network Analysis: Statistical Approaches.
2013	Fellow, American Association for the Advancement of Science.
2013	Outstanding Faculty Award, University of South Florida.
2013	Faculty Outstanding Research Achievement Award, Office of Research and Innovation, University of South Florida.
2012	James S. Coleman Distinguished Career Award in recognition of a lifetime of contributions to the field of Mathematical Sociology. American Sociological Association, Mathematical Sociology Section.
1995 –	Member, Sociological Research Association. Invitation only honorary society recognizing outstanding research accomplishments in sociology.

- 2001 – 2015 Invited Instructor, University of Essex Summer School in Social Science Data Analysis and Collection, Advanced Social Network Analysis.
- 2003 The Coleman Prize, Rationality and Society section of the American Sociological Association, for *Network Exchange Theory* edited by D. Willer, and shared with M. Lovaglia, B. Markovsky, T. Patton, B. Simpson, S. Thye, and D. Willer.
- 2000-2001 Chair, ASA Section on Mathematical Sociology.
- 1997 Poland Ministry of Education Award for Achievements in Research for *Status, Network, and Structure: Theory Development in Group Processes*. Stanford University Press. Edited with J. Szmataka and J. Berger.
- 1997 – 2000 Faculty Associate, Preston Residential College, University of South Carolina.
- 1994 USC Educational Foundation Award for Research in Humanities and Social Sciences, University of South Carolina.
- 1972 – 1975 Learning Research and Development Fellow, Multi-Disciplinary Program in Education, University of Pittsburgh.
- 1969 – 1972 National Science Foundation Fellow, University of Pittsburgh.
- 1969 Phi Beta Kappa, Lehigh University.

TEACHING EXPERIENCE

Undergraduate Courses Taught: Introductory Sociology; Statistics; Sociology of Education; Social Structures: Hidden Structures of Social Life; Social Organizations; Sociological Theory; Utopian Societies; Minority Group Relations; Social Networks; Social Complexity: Theories and Models.

Graduate Courses Taught: Introduction to Mathematical Sociology; Stratification, Inequality, and Mobility; Sociological Statistics; Advanced Quantitative Methods: Bayesian Statistics; Advanced Social Network Analysis; Social Network Analysis; Game Theory and Rational Choice Models; Theory Construction; Foundations of Structural Sociology; Contemporary Sociological Theory.

Dissertations Directed:

Arroyo-Flores, J. 2020. "A Social Network Analysis of Online Gamers' Friendship Networks: Structural Attributes of Steam Friendships, and Comparison of Offline-Online Social Ties of MMO Gamers."

Bailey, J. 2019. "Palatable Shades of Gender: Status Processes at the Intersection of Race, Gender, and Team Formation."

Chang, C.Y. 1998. "Models for Intergroup Association: An Examination of Inter-marriage in the United States, 1980-1990."

Burkett, T. 1997. "Cosponsorship in the United States Senate: A Network Analysis of Senate Communication and Leadership, 1973-1990."

UNIVERSITY COMMITTEES

University of South Florida.

Chair, Recommending Committee for Distinguished University Professors, 2013, 2015, 2024; Promotion and Tenure Committee, School of Social Sciences, College of Arts and Sciences, 2015-2016, 2021-2022; Promotion and Tenure Committee, College of Arts and Sciences, 2010-2011; Search Committee for Dean of Florida Mental Health Institute 2006-2007.

Member, Recommending Committee for Distinguished University Professors, 2012-2015, 2021, 2022, 2023; College of Arts and Sciences Tenure and Promotion Review Committee, 2021-2022, 2024; School of Social Sciences Tenure and Promotion Review Committee, 2013-2015, 2023-2024; Clinical and Translational Science Award Application Workgroup, 2010; Budget Planning Workgroup, 2008; Review Committee, Graduate Education and Research Thrust Initiative on Sustainable Healthy Communities, 2006.

University of South Carolina.

Chair, University Committee on Tenure and Promotions, 1998 – 1999.

Member, VCM Steering Committee, 2004 – 2005; Institutional Review Board, 2001 – 2003; Value Centered Management Planning Committee, 2002 – 2003; Tenure Review Board, 1999 – 2002; University Committee on Tenure and Promotions, 1996 – 1998.

RESEARCH INTERESTS

Theoretical methods: measurement and representation, simulation, stochastic processes, formal modeling and analysis.

Group processes and social psychology: status organizing processes and effects on participation in group discussions, power processes in network exchange, models of dominance structure formation.

Network analysis and modeling: random and biased net models, diffusion of disease and information, the small world problem, population differentiation and network structure.

Structures of action-language and grammars of action, production system models of social behavior, feasibility analysis of action strings.

GRANTS & CONTRACTS

Office of Naval Research, Exploring Majority Illusion and Pluralistic Ignorance within the Context of Eastern European Social Media. 2018-2019. N00014-18-218/1201-00-A, Principal Investigator.

Defense Advanced Research Projects Agency, Modeling Information Diffusion Processes with Deep Learning Algorithms. 2018-2021. DARPA-BAA-HR001117S0018, Co-Principal Investigator. Anda Iamnitchi, Principal Investigator.

National Science Foundation, Collaborative Research: Mapping Change in Higher Education-Social Networks and STEM Reforms. 2017-2020. NSF-DUE 1726330, Co-Principal Investigator. Jennifer Lewis, Principal Investigator.

National Science Foundation. EAGER: Measuring the Effects of Academic Climate and Social Networks on Persistence of STEM Undergraduates. 2017-2019. NSF-HRD 1747583, External Expert. Michelle Miller, Principal Investigator.

National Science Foundation, BIGDATA:IA:F: Structural Anonymization Techniques for Large, Labeled, and Dynamic Social Graphs. 2016-2019. NSF-IIS 1546453, Co-Principal Investigator. Anda Iamnitchi, Principal Investigator.

National Science Foundation, *The Effects of Social Capital and Cultural Models on the Retention and Degree Attainment of Women and Minority Engineering Undergraduates*, 2014-2018. NSF-HRD 1432297. Senior Personnel. Gladis Kersaint, Principal Investigator.

NIH, *Using Network Analysis to Assess School Mental Health Organizational Structure*, 2014-2016. Faculty. 1R21MH099238-01A1. O. Thomas Massey, Principal Investigator

Department of Veterans Affairs, Health Services Research & Development Service, *Action Ethnography of Community Reintegration for Veterans with TBI*. July 2014-June 2017. Consultant. SDR 12-302, G. Powell-Cope, Principal Investigator, K. Besterman-Dahan, Co-Principal Investigator.

Department of Veterans Affairs, Office of Research and Development, Rehabilitation Research and Development Service, *Exploring Deployment Stress and Reintegration in Army National Guard Chaplains*. September 2010-August 2012. Consultant. D7800P, K. Besterman-Dahan, Principal Investigator.

NIH/NHLBI, CTSA Consortium Process Evaluation, February 2009 – February 2010, Social Network Analysis Consultant to Westat, Inc HHSN2682000900045U, P. Lipman, Principal Investigator.

National Science Foundation, *Status Orders in Task Discussion Groups*. July 1998 – August 2000, Principal Investigator.

National Science Foundation, *Collaborative Research On: Fundamental Processes of Network Exchange*. September 1996 - November 1997, Principal Investigator.

National Science Foundation, *Collaborative Research On: Testing and Extending a Dynamic Model for Interaction in Discussion Groups*. August 1995 - January 1997, Principal Investigator.

National Science Foundation, *Applications of Genetic Algorithms and Classifier Systems to the Analysis of Systems of Social Interaction*. June 1993 - July 1995, Principal Investigator.

National Science Foundation, *Actors in Structures: New Research on Social Exchange Networks*. June 1993 - July 1994, Co-Principal Investigator.

National Science Foundation, *Inclusion as a Basis for Power in Exchange Networks*. June 1991 - July 1993, Co-Principal Investigator.

National Science Foundation, *Acquisition of Instrumentation for an Advanced Experimental Network*. June 1991 - July 1993, Principal Investigator.

National Science Foundation, *Power, Exclusion and Network Exchange Dynamics* September 1990 - October 1991, Principal Investigator.

National Science Foundation, *Renewal of Stratification and Vertical Mobility in Organizations*. March 1982 - August 1983, Co-Principal Investigator.

National Science Foundation, *Stratification and Vertical Mobility in Organizations*. July 1979 - December 1980, Co-Principal Investigator.

SOFTWARE

Skvoretz, J. 2014. "Network Analysis: Statistical Approaches, R Programs." ICPSR Summer 2014. Implements custom routines for statistical analysis of network data in the R environment.

Skvoretz, J. 1998. "AUTO THEORY." Analyzes frequency of exchange and earning predictions for three theories of power in exchange networks. Available in QuickBasic 4.0 for DOS platforms.

Skvoretz, J. 1996. "CONNET: V4." Implements experiments on networks of conflict relations using a local area network of personal computers; manages subject-to-subject interaction and experimenter monitoring of interactions. Available in QuickBasic 4.0 for DOS platforms.

Skvoretz, J. 1996. "EXNET: V5" Implements experiments on networks of exchange relations using a local area network of personal computers; manages subject-to-subject interaction and experimenter monitoring of interaction. Available in QuickBasic 4.0 for DOS platforms.

Skvoretz, J. 1993. "WPBIAS." Calculates frequencies of agreements between positions in exchange networks under several different specifications of tendencies to seek exchange. Available in QuickBasic 4.0 for DOS platforms.

Skvoretz, J. 1992. "EXNET V4." Implements experiments on networks of exchange relations using a local area network of personal computers; manages subject-to-subject interaction and experimenter monitoring of negotiations. Available in QuickBasic 4.0 and requires Novell's database Btrieve.

Skvoretz, J. 1990. "BNETALGA and BNETALGB." Generates communication networks subject to specifiable biases in the formation of ties identified in the theory of random and biased nets. Available in QuickBasic 4.0 and TurboPascal for DOS platforms.

PROFESSIONAL ACTIVITIES

President: International Network for Social Network Analysis, 2010-2016.

Editor: *Journal of Social Structure*, 2016- ; *Connections*, 1994-1997.

Associate Editor: *Journal of Mathematical Sociology*, 1993 - .

Consulting Editor: *American Journal of Sociology*, 1996-1998.

Editorial Board Member: *Social Psychology Quarterly* 2016-2018, 1998-2000; *American Sociological Review*, 1995 – 1997; *Social Forces*, 1984-1987.

Member: American Sociological Association; International Network for Social Network Analysis; Southern Sociological Society; American Association for the Advancement of Science.

Reviewer: Grant proposals for National Science Foundation; papers for *Administrative Science Quarterly*, *American Journal of Sociology*, *American Sociological Review*, *Current Anthropology*, *The Leadership Quarterly*, *Journal of Mathematical Sociology*, *Physical Review E*, *Rationality and Society*, *Social Forces*, *Social Networks*, *Social Science*

Research, Sociological Forum, Social Psychology Quarterly, Sociological Focus, Sociological Methodology, Sociological Methods and Research, The Sociological Quarterly, Sociological Theory, Urban Affairs Review, and Work and Occupations.

Review Panel Chair: National Science Foundation Graduate Fellowship Panels – Anthropology, Sociology and Linguistics, 1996, 1997.

Review Panelist: National Science Foundation, HCC Pre-proposal Review Panel, 2009; National Science Foundation, CDI Pre-proposal Review Panel, 2008; National Science Foundation, H&SD Proposal Review Panel, 2006; National Science Foundation, IT Proposal Review Panel, 2004; National Science Foundation, ITR Pre-proposal Review Panel, 2000; National Science Foundation, KDI Panel, 1998; National Science Foundation, IGERT Initiative Panel, 1997; National Science Foundation, Sociology Program, 1994-1996; National Science Foundation Graduate Fellowship Panels for Anthropology, Sociology and Linguistics, 1990, 1992 - 1995.

Program Chair: Southern Sociological Society Meetings, 1999.

Conference Co-Organizer: Sunbelt XXXIV International Social Network Conference 2014; Sunbelt XXXI International Social Network Conference, 2011; Sunbelt XXVIII International Social Network Conference, 2008; Sunbelt XIX International Social Network Conference, 1999; First International Conference on Theory and Research in Group Processes, Krakow, Poland, 1996; Sunbelt XVI International Social Network Conference, 1996; Sixth Annual Conference on Theory and Research in Group Processes, 1993; Sunbelt XI International Social Network Conference, 1991.

Session Organizer: "Hierarchy, Network, and Influence," American Sociological Association, 2005; "Social Psychology and Rational Choice," Group Processes and Rational Choice Joint Mini-conference, 2001; "Interfaces between Mathematical Sociology and Quantitative Data Analysis," American Sociological Association 2001; "Social Networks", Southern Sociological Society 1997; "Research in Structural Sociology," Southern Sociological Society 1990; "Cognitive Science," American Sociological Association 1988; "Complex Organizations," Southern Sociological Society 1983

Session Panelist: Regular Session Group Processes 3, American Sociological Association Meetings, 2015; Next Steps in Mathematical Sociology, American Sociological Association Meetings, 2010; Mathematical Sociology Today: Current State and Prospects, American Sociological Association, 2005; Professional Workshop on the Formation of a Mathematical Sociology Section, American Sociological Association, 1994; Panel on Networks and Rational Choice, Sixth Annual Theory and Research on Group Processes Conference, 1993; Panel on Artificial Social

Intelligence, Conference on Computing for the Social Sciences, NCSA,
University of Illinois, 1993
