

ONE USF

How USF is consolidating its three campuses to expand student opportunities.

In 2018, the Florida Legislature directed USF to unite its three separately accredited campuses. This move allows us to focus solely on providing a world-class education and increased opportunities for students and, importantly, opens more academic, research and community engagement opportunities for students. Next Steps

The **public Consolidation Task Force** is finalizing preliminary recommendations to be presented to the **USF Board of Trustees** in December.

USF's internal implementation committees continue to work on considerations. A CIC status update will be provided to the Board in December.

Final recommendations from the Task Force are due to the USF Board of Trustees in February. The Board must submit a plan to the BOG by March.
