Academic Appointments

2024 Sep.– **T32 Postdoctoral Scholar in Translational Epidemiology - Training for Research on Aging and Chronic Disease (TE-TRAC)**
Mentor: Katie Stone, PhD
Department of Epidemiology and Biostatistics
University of California, San Francisco; San Francisco, CA

Education

2019–2024 **PhD Candidate in Aging Studies**
University of South Florida; Tampa, FL
Dissertation Committee: Soomi Lee, PhD (co-chair), Lindsay Peterson, PhD (co-chair), Brent Small, PhD, Christina McCrae, PhD, Ross Anzel, PhD, and Katie Stone, PhD

2017–2019 **BA in Psychology; Minor in Aging Studies** | *Summa cum laude*
California State University, Fullerton; Fullerton, CA
Thesis Advisor: Laura Zettel-Watson, PhD

2015–2017 **AA in Psychology and Social & Behavioral Sciences** | *Summa cum laude* and with honors
Pasadena City College; Pasadena, CA

Research Interests

Sleep health; pain; middle and late adulthood; health disparities

Grants & Fellowships

2022–2024 **National Heart, Lung, and Blood Institute (F31HL165898)**
The joint effects of sleep and pain, and moderations by work characteristics
Total Award: \$83,839
Role: Principal Investigator
Study Team: Christina McCrae (sponsor), Soomi Lee, Brent Small, Ross Anzel, Katie Stone
Objective: To investigate the interplay between sleep and pain in healthcare workers and their joint contributions on long-term health and well-being outcomes. Further, to examine moderations by job demands and resources, as well as differences by age, sex, and race/ethnicity.

- 2023–2027 **National Heart, Lung, and Blood Institute (R01HL16322601A1)**
Sleep, Pain, Active Social Life, and Inflammation (SPAI)
 Total Award: \$1,992,374
 Role: Research Assistant
 Principal Investigator: Soomi Lee, PhD
Objective: To examine the extent to which the impact of sleep on chronic pain is mediated by social lifestyles and inflammation in three different cohorts of adults.
Responsibilities: Assisted with preliminary steps of data harmonization, gathered data, and reviewed grant
- 2020–2022 **NIH/National Institute on Aging (R56AG065251)**
Sleep health profiles in middle-aged adults in relation to cardiovascular health
 Total Award: \$412,264
 Role: Research Assistant
 Principal Investigator: Soomi Lee, PhD
Objective: To uncover distinct sleep profiles in middle-aged adults and provide preliminary analysis relating the sleep profiles to cardiovascular health.
Responsibilities: led the data management and analyses of two published manuscripts, assisted with manuscript writing and revisions, collaborated with a multidisciplinary team of experts, supported grant resubmission efforts for two R01 projects

Awards

- 2024 Pain Special Interest Group Trainee Award, SBM
 2024 Sleep Special Interest Group Trainee Award, SBM
 2024 Distinguished Student Travel Scholarship, SBM
 2023 Emerging Scholar and Professional Organization (ESPO) Carol Schutz Travel Award, GSA
 2023 Episummer Columbia University, Department of Epidemiology: Sleep Epidemiology Workshop Tuition Scholarship
 2022 Behavioral and Social Sciences Boaz Kahana Student Poster Award, GSA
 2022 Behavioral and Social Sciences Travel Award, GSA
 2022 Emerging Scholar and Professional Organization (ESPO) Travel Award, GSA
 2022–2023 H. Edward and Mildred E. Greely Endowed Fellowship, USF
 (Accepted for Fall 2022, Declined in Spring 2023 due to competing funding)
 2020, 2021 Behavioral and Social Sciences Student Registration Award, GSA
 2019–2022 Graduate Student Success Fellowship, USF
 2019–2020 National Science Foundation Graduate Research Fellowship Program
 • 2019, 2020 (honorable mention both cycles)
 2017–2019 Ronald E. McNair Postbaccalaureate Achievement Program, CSUF
 2018–2019 Sally Casanova California Pre-Doctoral Program, CSUF
 Spring 2018 Mary Lois Ayres Scholarship, CSUF
 Fall 2017 Department of Psychology Travel Scholarship, CSUF
 2017 Classified Senate Scholarship, PCC
 Spring 2017 Academic Senate Dean's Honors Scholarship, PCC
 Spring 2017 Opal Jones Trust Scholarship in Psychology, PCC
 Spring 2017 Honors Extraordinary in Social Sciences, PCC
 Spring 2017 Honors for Superior Achievement in Psychology, PCC
 Fall 2016 Robert and Adrienne Westerbeck Scholarship, PCC

Publications

*Undergraduate researcher in training at the time of production

Research Experiences

- June-July 2023 (8 weeks) **Gerontological Society of America (GSA) Summer Policy Internship**, Washington, D.C.
Policy Intern
 Director: Trish D'Antonio Mazzuca, RPh, BCGP
- Attended congressional hearings and meetings related to aging and older adults
 - Contributed to GSA sign-on letters for bills passing through Congress
 - Monitored the federal budget
 - Researched policies related to older adults
 - Created briefing reports and presented at meetings
 - Initiated new tasks/ideas with other interns (i.e., created internship handbook, internship survey, social media and marketing, manuscript)

- 2023–Present **Sleep, Stress, and Health (STEALTH) Lab**, University Park, PA
External Collaborator
Director: Soomi Lee, PhD
The Pennsylvania State University, Department of Human Development and Family Studies
- Mentor undergraduate researchers on their first-authored manuscripts
 - Support undergraduate researchers' graduate and medical school applications (e.g., review application materials, draft letters of recommendations)
 - Assist with data management and analyses inquiries
- 2019–2023 **Sleep, Stress, and Health (STEALTH) Lab**, Tampa, FL
Lab Manager
Director: Soomi Lee, PhD
University of South Florida, School of Aging Studies
- Assisted in data management and analyses of complex data using SAS 9.4, Mplus, and R (i.e., ecological momentary assessment and actigraphy)
 - Led participant recruitment meetings; sanitized, shipped, and handled actigraphy devices during the COVID-19 pandemic; was one of the primary contact persons for research assistants and participants; regularly communicated recruitment updates to leadership team; oversaw the creation of the study website (<https://usfstealthlab.wixsite.com/nursesleepstudy>)
 - Contributed to study design development; carried out study protocols and ethical research practices
 - Supervised and oversaw 29 undergraduate research assistants
 - Mentor undergraduate researchers in independent research, professional development, and graduate school applications
 - Created and reviewed lab's social media and public relations
 - Funding support from USF College of Behavioral and Community Sciences Grant Program (No. 18320) "Cancer center nurses' sleep health and its association with work performance" (PI: Soomi Lee)
- 2017–2019 **Ronald E. McNair Postbaccalaureate Achievement Program**, Fullerton, CA
Director: Patricia Literte, PhD
California State University Fullerton, Department of Sociology
Advisor: Dr. Laura Zettel-Watson, Department of Psychology
- Conceptualized original research idea, analyzed data, and wrote thesis, titled "The impact of pain intensity and social support on cognitive functioning and quality of life in older adults with fibromyalgia"
 - Presented findings at a regional and national conferences
 - Completed grant writing workshops to submit original research ideas to NSF GRFP and Ford Fellowship
- 2017–2019 **Fibromyalgia and Chronic Pain Center**, Fullerton, CA
Research Assistant
Director: Jordan Aquino, MPH
California State University Fullerton, Department of Public Health
- Administered and scored cognitive assessments given to older adults with and without fibromyalgia
 - Recruited and screened participants

- Updated participants' information using FileMaker Pro

2018–2019

Fresh Air Advocates, Fullerton, CA

Research Assistant

Director: Pearl Bolter, MPA

California State University Fullerton, Environmental Health and Safety

- Promoted a smoke, vape, and tobacco-free campus
- Supervised and mentored undergraduate interns
- Collected observational data, coded data, and analyzed data in SPSS
- Organized campus-wide events
- Presented at the 2019 California Youth Advocacy Network

Summer 2018

Cognition and Neuroimaging Laboratory, Tucson, AZ

Undergraduate Research Opportunities Consortium-Summer Research Institute (UROC-SRI), Research Assistant

Advisor: Lee Ryan, PhD

University of Arizona, Department of Psychology

- Scored and entered neurological battery responses into SPSS
- Called and screened participants for MRI study
- Analyzed data and completed research paper titled, "Predicting executive functions from physical, social, and mental activities in older adults over 50"
- Presented findings at regional and national conferences

Spring 2018

Center for Research on Educational Access and Leadership, Fullerton, CA

Research Assistant

Director: Dawn Person, EdD

California State University Fullerton, Department of Education

- Led the National Resource Center of Asian Languages Vietnamese dual-language immersion program evaluations
- Wrote and edited reports for multiple projects (e.g., Allied Health Academy, GEAR UP, Early Assessment Program)
- Data collection (e.g., organized data collection with local school sites, administered surveys, interviews, and focus groups)
- Transcribed interviews
- Submitted IRB proposals
- Recruited, interviewed, and lead orientations for Vietnamese translators
- Presented a professional development workshop to staff and Ed.D. students on how to create infographics

Teaching Experiences

Summer 2022

Instructor

DEP 2004: Life Cycle, USF Behavioral & Community Sciences

Summer 2021

Instructor

GEY 2000: Introduction to Aging Sciences, USF Behavioral & Community Sciences

- 2020 **Graduate Teaching Assistant**
School of Aging Studies, University of South Florida
Courses and Terms
 GEY 3625: Sociological Aspects of Aging
 Duties: Graded assignments, papers, exams; held office hours
- 2018-2019 **Undergraduate Teaching Assistant**
Department of Psychology, California State University, Fullerton
Courses and Terms
 PSYC 362: Psychology of Aging (Spring 2018)
 PSYC 306: Biopsychology (Spring 2019)
 Duties: Graded assignments, papers, exams; held office hours
- 2016–2017 **Instructional Aide**
Department of Psychology, Pasadena City College
Courses and Terms
 PSYC 025: Human Sexuality (Spring 2017)
 PSYC 001: Introduction to Psychology (Summer 2016)
 Duties: Graded assignments, papers, exams; held office hours

Invited Talks

- 2022 • Keynote Speaker—Nursing EBP/PI/Research Day Conference at Moffitt Cancer Center, Tampa, FL. Lecture titled “Sleep Health in Nurses: Strategies for Optimizing Your Sleep” presented on April 23, 2022
- 2021 • McNair Scholars Alumni Panel: Graduate Schools (Virtual) on July 13, 2021
- 2020 • McNair Scholars Alumni Panel: Graduate Schools (Virtual) on July 21, 2020

Guest Lectures

- 2023 • GEY 7936 Proseminar in Aging Studies, USF Behavioral & Community Sciences; Lecture on F31 Grant & GSA Policy Internship presented on November 17, 2023
- 2022 • GEY 4612: Psychology of Aging, USF Behavioral & Community Sciences; Lecture on Sleep Health presented on January 19, 2022
- GEY 7936 Proseminar in Aging Studies, USF Behavioral & Community Sciences; Lecture on Doctoral Journey: External Grants & Qualifying Exams presented on November 18, 2022
- 2020 • GEY 4612: Psychology of Aging, USF Behavioral & Community Sciences; Lecture on Chronic Pain in Later Life presented on November 16, 2020
- 2019 • GEY 3601: Physiological Changes of Aging, USF Behavioral & Community Sciences; Lecture on Pain in Older Adults presented on November 18, 2019

Research Assistants Mentored

*Mentored student in senior/honors thesis or independent research project(s)

<u>Name</u>	<u>Subsequent Position</u>
Aziz Rehman*	USF, MD Program in Morsani College of Medicine
Kian Huang*	USF, MD Program in Morsani College of Medicine
Mónika Domenech-Acevedo*	USF, MD Program in Morsani College of Medicine
Tanjina Jalil	Continued graduate studies, MA in Gerontology

Neha Dewansingh	Continued undergraduate studies
Sandra Mampilly	Continued undergraduate studies
Sarah Colston	Graduated from USF
Andrew Russell	Continued undergraduate studies
Joseph Obiagwu*	Graduated from USF; Continued post-bac clinical work
Jada Hewitt	Continued undergraduate studies
Sebastiana Moore*	Continued undergraduate studies
Kali Minick*	Continued undergraduate studies
Ana Sorto*	Graduated from USF
Angelina Venetto	USF, PhD in School Psychology
Breann LaRocque*	Graduated from USF
Cassandra Richardson	Colorado State University, PhD in Psychology
Rhitik Joshi	Nova Southeastern University, MD in College of Medicine
Alexandra Carey	Graduated from USF
Arooj Khan	University of Florida, DMD in College of Dentistry
Britney Veal*	University of South Florida, PhD in Aging Studies
Chelsea Djedi	Continued post-bac clinical work and teaching
Gabriel Bustamante-Salas	Graduated from USF
Jeilah Pabón	Graduated from USF
Julia Woolley*	Graduated from USF
Karley Deason*	Florida State University, MD Program in College of Medicine
Leonel Camejo*	Lewis Katz School of Medicine at Temple University, MD Program
Lisa Patel	Nova Southeastern University, MD in College of Medicine
Rachel Thurn	Graduated from USF
Taylor Harris	University of Kansas, PhD in Counseling Psychology

Ad Hoc Reviewer

- Ad hoc reviewer
 - *Home Health Care Services Quarterly*
 - *Innovations in Aging*
 - *Journal of Applied Gerontology*
 - *Nursing Open*
 - *Scientific Reports*
- Ad hoc reviewer, Gerontological Society of America Conference Abstracts
 - Reviewed 16 abstracts ranging in topics including sleep health, pain, and work
- Mentored ad hoc reviewer
 - Under the mentorship of Soomi Lee, PhD
 - *Journal of Gerontology: Medical Sciences*
 - *Journal of Gerontology: Psychological Sciences*
 - *Nature and Science of Sleep*
 - *Scientific Reports*
 - *Sleep*
 - Under the mentorship of William Haley, PhD
 - *Journal of Women's Health*

Skills & Certificates

- Training in Responsible Conduct of Research (Active)
 - Collaborative Institutional Training Initiative (CITI) training in Human Research, Social/Behavioral Responsible Conduct of Research, and Social/Behavioral Investigators and Key Personnel, since 2017
 - Health Insurance Portability and Accountability Act (HIPPA), since 2020

- Statistical Software: SAS (proficient), SPSS (proficient), R Statistical Software (novice), Mplus (novice)
- Sleep Epidemiology certified by Columbia University's Department of Epidemiology on June 20, 2023
- Online Instructor Certification certified by the University of South Florida on September 12, 2022
 - 4-week long training to improve my online pedagogies
- Dr. Orfeu M. Buxton's (Penn State) Sleep Actigraphy Scoring
- Cognitive Assessments Tester for older adults with and without fibromyalgia (e.g., MMSE, CERAD, Stroop, Digit Span, Trails A-B, Animals Verbal Fluency, Digit Symbol Substitution)

Professional Affiliations

2023–Present	Society of Behavioral Medicine
2023–Present	American Psychological Association <ul style="list-style-type: none"> • Division 20 (Adult Development and Aging)
2018–Present	The Gerontological Society of America
2017–Present	Sigma Phi Omega: Gerontology Honor Society
2018–2019	Western Psychological Association
2017–2019	Psi Chi: International Honor Society in Psychology

Community Service & Outreach

2023–Present	College of Behavioral and Community Sciences (CBCS) Diversity, Equity, and Inclusion (DEI) Committee (student member) <ul style="list-style-type: none"> • Analyzed and summarized responses from the faculty, staff, and administration climate survey used to assess DEI efforts at USF and CBCS • Reviewed and provided feedback on the student climate survey
