RESEARCH EXPERIENCE

Research Assistant

August 2018 – May 2019

Behavior Analysis Support Services, Gainesville, FL

- Aided in data collection and procedures in research sessions across eight separate studies
- Coded data in three literature studies
- Collected data for preference assessments and token exchange for studies on exercise, diet choices, compliance, and least to most prompting when working with children on the Autism spectrum

Research Assistant

January 2019 – May 2019

Florida Autism Center, Gainesville, FL

- Assisted in data collection and running sessions for behavior analysis feeding studies on chewing, aversions to eating, and bite completion when working with children on the Autism spectrum
- Trained in feeding procedures for children on the Autism spectrum to run successful trials independently

PRESENTATIONS

Applied Behavior Analysis International, Philadelphia, PA May 2024

- Presented staff management research in a continuing education unit symposium focusing on improving the quality of training across professional and non-professional populations.

Florida Association for Behavior Analysts, Orlando, FL September 2023

- Presented research in a continuing education unit symposium focusing on reducing reactivity to procedural fidelity in intervention implementers

TEACHING EXPERIENCE**Co-Instructor**

August 2024 – Present

MHS4208: Organizational Behavior Management

Graduate Teaching Assistant

August 2024 - Present

MHS6701: Applied Behavior Analysis Basic Principles

Graduate Teaching Assistant

January 2023 – May 2023

MHA3204: Fundamentals of ABA

- Reviewed and graded assignments, quizzes, and exams

Graduate Teaching Assistant

August 2022 – December 2022

CLP4414: Behavior Modification

- Reviewed and graded assignments, quizzes, and exams

Graduate Teaching Assistant

May 2022 – August 2022

MHS4412: Research Methods and Ethics in Behavior Analysis

- Reviewed and graded assignments, quizzes, and exams and provided feedback on student work
- Creation of assignments

Graduate Teaching Assistant

January 2022 – May 2022

MHS4202: Behavior Assessment and Intervention Planning

- Reviewed and graded assignments, quizzes, and exams and provided feedback on student work
- Creation of study objectives, study guides, quizzes, and exams
- Assisted students with the content of the class and addressed their inquiries

PROFESSIONAL EXPERIENCE**Board Certified Behavior Analyst**

August 2023 – Present

ABA Solutions

- Provided behavior analytic services to children and adults diagnosed with developmental disabilities to promote progress toward developmental milestones, acquire replacement skills, and reduce maladaptive behaviors in the clinic, home, community, and school settings.

August 2024

- Provided supervision to registered behavior technicians and board certified assistant behavior analysts during implementation of skill acquisition and behavior reduction programming with clients
- Provided caregiver training to family and school staff on the implementation of skill acquisition and behavior reduction protocols included in clients' behavior plans

Registered Behavior Technician

August 2020 – July 2023

Invo HealthCare

- Provided early intervention, behavior analytic services to children diagnosed with developmental disabilities to promote progress toward developmental milestones, acquire replacement skills, and reduce maladaptive behaviors in the clinic, home, and school settings.
