

Dane Minnick PhD | MSW | CPS

Evelyn Duvall Endowed Chair of Family Development and Community Health

Assistant Professor of Social Work

College of Behavioral & Community Sciences

University of South Florida | Sarasota-Manatee

EDUCATION

- Doctor of Philosophy in Social Work - University at Albany SUNY | 2019
 - Dissertation: The state of substance use education in social work: A national survey and content analysis of Master of Social Work programs.
- Master of Social Work - University at Albany SUNY | 2015
- Bachelor of Science in Human Development & Family Studies - Texas Tech University | 2011

CREDENTIALS

- Certified Prevention Specialist (CPS) - International Certification & Reciprocity Consortium
- Certified Prevention Specialist II (CPS II) - ICAADA

AWARDS

- Ball State Outstanding Junior Faculty Award | 2023
 - Competitive annual award conferred in recognition of demonstrated composite excellence in teaching, scholarly or creative productivity, and service by a junior faculty member over the course of an academic year.
- Ball State Council on the Environment Green Initiative Award | 2023
 - Competitive annual award conferred for implementing teaching practices and course content that fosters environmental sustainability.
- Panhellenic Association Award for Outstanding Dedication to Student Development | 2023
 - Competitive annual award conferred for facilitating exceptional student mentorship and engagement opportunities.
- Ball State Schafer Fellowship for Immersive Learning | 2021
 - Competitive annual award conferred in recognition of faculty engagement in high-impact immersive learning practices over an academic year.
- SUNY Albany Distinguished Dissertation Award | 2019
 - Competitive award conferred to the PhD candidate with the most outstanding dissertation completed within the College of Social Work at SUNY Albany in an academic year.

RESEARCH PRIORITIES

- Substance Misuse Policy, Prevention, & Community Interventions
 - Community Engaged & Community Led Research
 - Community-Academic Partnerships

- Systems Design, Mapping, & Evaluation
- Epidemiology & Service Assessments
- Higher Education & Public Health Workforce Development
- Evidence-Based Prevention Interventions

RESEARCH SKILLS

- Quantitative, Qualitative, & Mixed-Methods
- Ecological Modeling, Gap Analysis, & Service Assessments
- Surveys & Focus Groups
- Policy Analysis

TEACHING PRIORITIES

- Research Methods & Evaluation
- Substance Misuse Policy & Community Interventions
 - Public Health & Public Administration
 - Epidemiology, Ecological Modeling, & Service Assessments
 - Systems Design, Mapping, & Evaluation
 - Community Assessments, Capacity-Building, & Interventions
 - Social Determinants of Health & Evidence-Based Practices
 - Prevention Specialist Certification Domains
 - The Strategic Prevention Framework

TEACHING PEDAGOGY

- Team-Based Learning
- Experiential Learning
- National Association of Colleges and Employers Professional Priorities (NACE)
- Scholarship of Teaching & Learning
- In-Person, Virtual, Online, and Hybrid Instruction

PRACTICE SKILLS

- Substance Misuse Policy & Community Interventions
 - State Agency Leadership & Management
 - University Leadership & Management
 - Community Coalition Development, Leadership, & Management
 - Substance Misuse Prevention & Community Capacity Building
 - Public Health & Public Administration

- Systems Design, Mapping, & Evaluation
- Epidemiology & Service Assessments
- Ecological Modeling & Epidemiology
- Training, Education, & Workforce Development
- Grant Writing/Request for Funding Development
- Grant & Contract Management

TECHNOLOGY

- IBM SPSS | NVivo | Microsoft 365 | Qualtrics | Tableau | ChatGPT | Zoom | Canvas | Blackboard

EXPERIENCE

**Evelyn Duvall Endowed Chair of Family Development and Community Health | Assistant Professor
- University of South Florida, School of Social Work, Sarasota, FL | 2024-Current.**

- Duvall Chair Responsibilities
 - Oversee the Duvall Chair budget and administration.
 - Lead the Duvall National Scholarship Program.
 - ◆ Manage the Duvall Library Collection.
 - ◆ Serve as Editor of the Duvall Journal for Family Development and Community Health.
 - Facilitate the Duvall Initiative.
 - ◆ Organize and host the Duvall Annual Conference, Pre-Conference Dinner Series, and Pre-Conference Workshops.
 - ◆ Conduct, support, and oversee affiliated community-led and community-engaged research, training, and service projects.
 - Direct the Duvall Fellowship program.
 - ◆ Recruit Duvall Fellows and coordinate fellow activities.
- Assistant Professor Responsibilities
 - Graduate-level instruction.
 - University research & service activities.
- Key Performance Outcomes
 - Published multiple peer reviewed articles.
 - Presented at multiple national conferences.
 - Reviewed and updated the Duvall Chair description and activities.
 - ◆ Founded the Duvall National Scholarship Program.
 - ◆ Founded the Duvall Initiative, a collaborative community-engaged research and service program.

- ◆ Founded the Duvall Fellowship Program.
- ◆ Founded the Duvall Journal for Family Development and Community Health.
- Oversaw a \$140,000 annual budget and affiliated reports.
- Expanded and successfully executed a 150-attendee academic annual conference, enhancing engagement and program impact.
- Received positive student feedback and reviews while effectively leading the initial implementation of multiple newly developed Hybrid MSW courses.
- Served on multiple School of Social Work and doctoral committees.

Prevention Bureau Chief (Policy/Procedure Analyst) - Indiana Family and Social Services Administration | Division of Mental Health and Addictions - Indianapolis, IN | 2023-2024.

- Responsibilities
 - Manage the application, administration, evaluation, and reporting for the \$7,000,000 substance misuse prevention allocation of the Federal Substance Use Prevention, Treatment, and Recovery Services Block Grant (SUPTRS-BG).
 - Establish statewide substance misuse prevention priorities and develop, evaluate, and revise Prevention Bureau policies, processes, and strategic initiatives.
 - Chair the Indiana Evidence-Based Prevention Programs Workgroup.
 - Co-Chair the Indiana State Epidemiological Outcomes Workgroup.
 - Co-Chair the Indiana State Prevention Leadership Group.
- Key Performance Outcomes
 - Evaluated the Indiana Regional Prevention System and restructured prevention funding priorities to optimize the SUPTR-BG substance misuse prevention funding allocation.
 - Developed the four-year strategic plan for the Prevention Bureau.
 - Created strategic prevention initiatives for \$4,000,000 of American Rescue Planning Act funding.
 - Designed strategic initiatives for the administration of \$2,000,000 of Opioid Settlement funds.
 - Developed an experiential learning initiative that created five sustainable substance misuse prevention certification courses within Indiana Universities.
 - Co-authored three state epidemiological reports.
 - Designed a systems assessment framework for the Indiana State Epidemiological Outcomes Workgroup to organize and enhance data collection efforts, evaluation measures, and public health communication tools.
 - Evaluated and restructured the Prevention Bureau's technical assistance provider contract to enhance training and data collection requirements.
 - Established a sustainable, statewide Certified Prevention Specialist Training initiative that annually prepares 200 community members to become Certified Prevention Specialists.
 - Oversaw 18 prevention providers contracts.

- Evaluated and streamlined internal and external bureau processes and protocols.
 - ◆ Reduced administrative burdens and reporting requirements for prevention providers.
 - ◆ Simplified Prevention Bureau Request for Funding/Proposal templates and evaluation criteria.
 - ◆ Standardized Prevention Bureau training and onboarding procedures.

Director - Ball State Center for Substance Use Research and Community Initiatives, Muncie, IN | 2021-2023.

- Responsibilities
 - Oversee all SURCI grants and contracts.
 - Lead and promote SURCI research initiatives.
 - Publish on SURCI research activities.
 - Provide public communications on SURCI activities and accomplishments.
- Key Performance Outcomes
 - Generated over \$2,000,000 in funding for community projects and initiatives.
 - Published one invited article, one implementation and technical assistance publication, and seven state reports in collaboration with the U.S. Drug Enforcement Agency, the Indiana Department of Health, and the Indiana Division of Mental Health and Addiction.
 - Spoke and/or served as a panelist for multiple state and national addictions events.
 - Coordinated a 5-person leadership team and 15-person project team.
 - Consulted on Indiana’s High Intensity Drug Trafficking Assessment in collaboration with the Indiana Drug Task Force.
 - Designed and implemented Indiana’s 1st statewide assessment of syringe service programs in collaboration with the Indiana Department of Health.
 - Organized the Annual State Epidemiological Outcomes Workgroup Conference in collaboration with the Indiana Division of Mental Health and Addictions.
 - Developed a state-certified prevention specialist associate credential and an accompanying experiential learning course in collaboration with ICAADA.
 - Designed and assisted with the implementation of a 24-hour community crisis center in collaboration with the City of Muncie and Indiana University Health.
 - Designed and assisted with the implementation of the Muncie Police Department’s Division of Community Engagement.
 - Designed and assisted with the implementation of a Peer Recovery Coach Community Transportation System.
 - Piloted a community addiction service assessment and capacity building framework in collaboration with the Indiana Division of Mental Health and Addiction.
 - Communicated project outcomes in local press conferences, podcasts, radio interviews, and news articles.

- Mentored four SURCI graduate student affiliates.

Executive Director, Addictions Coalition of Delaware County, Muncie, IN | 2021-2023.

- Responsibilities
 - Oversee strategic planning, finances, communications, and organizational activities for a 571-person community-academic partnership to address substance misuse.
- Key Performance Outcomes
 - Coordinated a 25-person community advisory board composed of elected officials, service provider administrators, public health officials, and community organizers.
 - Supervised ten graduate and undergraduate interns.
 - Established a Recovery Café in collaboration with community partners.
 - Facilitated the creation of a non-syringe harm-reduction program in collaboration with the local Health Department.
 - Procured two syringe disposal boxes, five community naloxone boxes, and a naloxone vending machine for community use in collaboration with local partners and organizations.
 - Provided multiple community workforce development trainings.
 - Developed a widely disseminated community resource map and community resource list.
 - Created Peer Recovery Coach and Certified Prevention Specialist Scholarships for local community members.
 - Co-organized four local addiction conferences.
 - Established a street harm-reduction outreach team in collaboration with two local providers and the Indiana Department of Health.
 - Developed a sustainable student prevention and harm-reduction coalition on the Ball State campus that engaged in award-winning community service activities.

Assistant Professor - Ball State University, Department of Social Work, Muncie, IN | 2019-2023.

- Responsibilities
 - Undergraduate and graduate teaching (3x3 course-load).
 - University research & service activities.
- Key Performance Outcomes
 - Generated over \$500,000 in direct, external funding.
 - Published 12 peer-reviewed journal articles.
 - Published 6 state government publications for the Indiana Division of Mental Health and Addiction.
 - Published 1 Technical Assistance Publication for the Indiana Department of Health.
 - Published 1 invited article for the U.S. Drug Enforcement Agency.
 - Presented at 19 academic conferences.

- Co-established a funded university research center.
- Co-founded and served as director for a 571-person Community-Academic Partnership to address substance misuse.
- Maintained a 4.5/5 student course review & instructor rating average.
- Developed and implemented an award-winning experiential learning course.
- Provided award-winning mentorship to undergraduate, graduate, and doctoral students.
- Served as a review board member for the Journal of Social Work Practice in the Addictions.
- Reviewed 13 journal articles for four peer-reviewed journals.

Consultant - New York State Office of Addiction Services and Supports: Bureau of Prevention, Albany, NY | 2018-2019.

- Responsibilities
 - Consult on the Federal Partnership for Success (PFS) grant.
 - Serve on the New York State Epidemiological Outcomes Workgroup.
 - Serve on the New York Evidence-Based Prevention Program Review Panel.
- Key Performance Outcomes
 - Developed the Annual State Epidemiological Outcomes Workgroup Report.
 - Created the New York State List of Evidence-Based Prevention Programs.
 - Reviewed and approved college prevention grant applications.

Fellow - Substance Abuse and Mental Health Services Administration: Center for Substance Abuse Prevention, Rockville, MD - Albany, NY | 2016-2018.

- Responsibilities
 - Design and implement prevention-focused research initiatives.
 - Consult on grant-funded prevention initiatives implemented by the New York State Office of Addiction Services and Supports.
 - Participate in SAMHSA prevention trainings.
- Key Performance Outcomes
 - Obtained prevention specialist certification.
 - Implemented two statewide workforce capacity studies.
 - Developed two State Epidemiological Outcomes Workgroup Reports.
 - Consulted on the Partnership for Success Grant.

Treatment Group Facilitator - New Choices Recovery Center, Schenectady, NY | 2016.

- Responsibilities
 - Facilitate substance misuse treatment groups.
- Key Performance Outcomes

- Successful facilitation of treatment groups.

UNIVERSITY GRANTS, CONTRACTS, & SPECIAL PROJECTS

Direct Funding: \$539,815 | External Funding: \$527,765 | Community Grants: \$2,391,000

> Internal Funding | *Community-Led Grant

1. >Professional Development | Team-Based Learning Collaborative (\$225). University of South Florida Sarasota Manatee – 2024, PI
2. Jay County Drug Prevention Council Recovery Coach Transportation Network (450,000*). Indiana Family and Social Services Administration: Community Catalyst Grant - 2023, PI
3. Muncie Police Community Engagement Division (900,000*). Indiana Family and Social Services Administration: Community Catalyst Grant - 2023, PI
4. ACDC 4th Annual Symposium (\$750). Communities Talk - 2023, PI
5. Student Breathalyzer Interventions (\$6,000). Indiana Collegiate Action Network - 2022, PI
6. County Addiction Competencies (\$37,614). Indiana Family and Social Services Administration - Department of Mental Health and Addiction (Health Management Associates) - 2022, PI
7. Muncie Crisis Center (\$27,961; \$900,000*). Indiana Family and Social Services Administration - Department of Mental Health and Addiction - 2022, Co-PI
8. Ball State Center for Substance Use Research & Community Initiatives (\$52,500). Ball State University, College of Health - 2022, PI
9. Community Coordination for Trauma-Informed Recovery-Oriented Systems of Care (\$112,000). Indiana Family and Social Services Administration - 2022, Co-PI
10. Coalition Building, Resource Development, and Community Mobilization: A Student-Driven Addictions Coalition (\$6,282). The Provost's Immersive Learning Grant - 2021, PI
11. Implementation of a Mobile Integrated Health Program (\$1,000*). Indiana Department of Homeland Security - 2021, Consultant
12. Student Substance Use Service Focus Groups (\$4,000). Indiana Collegiate Action Network - 2021, PI
13. Peer Recovery Coach Trainings (\$3,625). Delaware County Prevention Council - 2021, Co-PI
14. Mental Health 1st Aid Trainings (\$600). Delaware County Prevention Council - 2021, Co-PI
15. Harm-Reduction Street Outreach Teams (\$140,000*). Indiana Family and Social Services Administration - Division of Mental Health and Addiction - 2021, Consultant
16. Prevention, Education, Early Screening, and Reduction in Substance Misuse Project (\$276,433). Indiana Family and Social Services Administration - Bureau of Substance Abuse Prevention and Mental Health Promotion - 2020, PI
17. > Examining Diversity and the Impact of Personal Belief Systems on Classroom Climates (\$1,800). College of Health Internal Grant Program - 2020, PI
18. Assessment of Social Work Graduates' Initial Substance Use Intervention Capacities in Indiana (\$8,600). Aspire Junior Faculty Research Grant - 2020, PI
19. Professional Development (\$250). Substance Abuse and Mental Health Services Administration - Center for Substance Abuse Prevention - 2017, PI

20. >Dissertation Research (\$650). SUNY Albany GSA Research Grant - 2017, PI

21. >Professional Development (\$750). SUNY Albany GSA Professional Development Grant - 2016, PI
