Collaborative Evaluations: Overcoming Challenges and Strengthening Partnerships

Thursday, October 31st, 2024 // 8:00–9:00 a.m. EST

Presented by:

Alfredo Rodriguez-Vera, MSc.
alfredor@usf.edu

This virtual workshop will explore the key principles of collaborative evaluations and how they can be used to navigate the common challenges faced in research partnerships. Participants will learn strategies for addressing communication barriers, aligned goals, and engagement issues, drawing on practical examples of overcoming these obstacles. The session will also highlight how frameworks like the Model for Collaborative Evaluations (MCE) can create solutions that drive continuous improvement.
