Nault Center for Entrepreneurship

UNIVERSITY of SOUTH FLORIDA

# Calling All Black Students Who Are...

**Problem-Solvers**

**Designers**

**Entrepreneurs**

**Creators**

**Visionaries**

**Investigators**

**Educators**

**Innovators**

**Inventors**

The Mainframe @USF is a student-led organization, building a culture and community that enables Black students who have career interests and aspirations in entrepreneurship or innovation.

## PROGRAMS

Networking events allowing like-minded students to connect and collaborate.

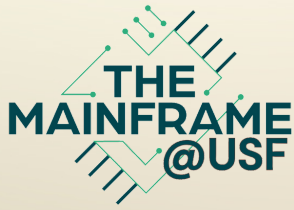

## SERVICES

Develop your skills with our business-focused challenges and opportunities.

## MENTORSHIP

Partner with successful entrepreneurs in our business mentorship program.

# Creating Opportunities Through Exposure and Relationships

## For Our Partners & Collaborators

We're helping to activate our very best and brightest up and coming minds, to address industry specific hurdles and create innovative solutions.

## For Our Students

It's about what challenges are placed in front of them and what opportunities can we create from it.

## Areas of Focus

Science, Engineering, and Technology  
Arts, Media, and Entertainment  
Finance and Accounting  
Medical and Healthcare  
Social and Economics  
Business Innovation

*We're building a new intersection where talent meets opportunity. The Mainframe's extensive network aims to shorten the runway for our students in their post-college pursuits.*

**"The topic of innovation and entrepreneurship spans conversations, communities and industries."**

*- James Faison, CEO, The Mainframe*
