Women in Tech & Entrepreneurship

We're Looking for Leaders!

WHO IS WTE?

We're a student organization focused on empowering women in Tech and Entrepreneurship area of study. We're building a dynamic community of unapologetically ambitious women who believe in rising by lifting others.

OUR VISION

At the heart of WTE's Collegiate Chapter lies a commitment to our members' growth and success.

Every benefit we offer is meticulously crafted with your ambitions in mind and, in line with our ethos of fostering an inclusive community, all our resources are made accessible completely free of charge.

Some member benefits: community working, exclusive events, job and internship alerts, collaboration platforms, peer mentorship, educational opportunities, etc.

REASONS TO JOIN

We are a diverse group of high-performing, non-conforming women working in various sectors, including technology, start-ups, venture capital, entrepreneurship, economic development, and business support organizations. Our mission is to empower and resource women in tech and entrepreneurship with near-peer mentorship, educational opportunities, and a robust support network.

We passionately believe in the transformative power of community to propel individuals to new levels of achievement. We are committed to providing women with the resources and connections they need to succeed in the competitive tech and entrepreneurial landscape.

BENEFITS OF JOINING

- **Community Networking:** Opportunities to connect with high-performing, non-conforming women across various sectors, fostering a culture of mutual support and growth.
