## Be prepared!

Check out these additional arrival tips as you get ready to live the Bull's life.

### Know your housing assignment.

Log in to the Housing Portal, select "My Account," then "My Assignments," then "View Assignments, Roommates, and Suitemates" to view your fall/spring housing assignment.

This is also where your roommates, suite-mates, or apartment-mates are listed.

### Start packing!

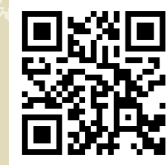

Review the move-in checklist on our website for a list of what to bring (and what not to bring!)

### Connect with your roommates, suitemates, or apartment-mates.

Check in and coordinate what you will bring to campus. Things like printers, microwaves, refrigerators, and TVs can be shared!

### Choose the height of your bed.

Submit an online maintenance request for your desired bed height before you arrive on campus. Keep in mind that lofting assistance may take longer after residents have moved in, so submit your request early! Residents and their families are not permitted to change the height of their bed.

## Residential Mail

Mailbox information is visible on the same screen as your housing assignment in the Housing Portal. If you want to ship anything prior to move-in, please wait until August 8. Retrieve packages and mail from your area's Mail Center (North Campus: Holly H, South Campus: JPH lobby). Mail Centers will be open starting Saturday, August 17.

Learn more on our website!

## USF Card Pick Up

Order your USF Card online

New students should request their initial USFCard through MyBullsPath, or directly at the USFCard Request Site, no later than August 13. Your Oasis account will be charged \$10 for your initial ID card. Please activate your USFCard before you arrive on campus as your USFCard is how you will access your residence hall when you move-in.

## Accommodations

USF is an Equal Opportunity/Equal Access Institution. If you would like to request an accommodation for move-in, we ask that you contact our office at 813-974-0001 or housing@usf.edu five days before your arrival.
