

# Cracking the Code: Why and How to Apply for Private Foundation Grants

*Private Foundations and other organizations offer hundreds of faculty research grants every year. This largely untapped resource provides funding often with greater flexibility and fewer restrictions, offering multiple benefits for faculty recipients.*

## In this virtual workshop, you'll discover:

- What are private foundation grants and how are they different from government grants
  - How to find them
  - Who's eligible
  - How to apply
- What does private foundation funding support
- How grants from private foundations can benefit your research career

 **JANUARY 24, 2025**

 12PM - 1PM

VIRTUAL VIA MS TEAMS
