**The following is additional information for the Health Sciences major:**

- This Grad Path focuses on 4 out of the 5 concentrations within the major. Choose based on career interests:
  - Social/Behavioral Health Sciences: Social service agency work within the mental health field
    - Students should take BSC1005C & SYG2000 within AA.
  - Aging Health Studies: Nursing home administration, counselors, therapists, geriatric program development
    - Students should take BSC1005C & SYG2000 within AA.
  - Health Management: Hospital administration, physician's office management, insurance industry and health service management.
    - Students should take BSC1005C, ACG2021, & ACG2071 within AA.
  - Health Information Technology: Medical records management, IT, software/internet development
    - Students should take BSC1005C & SYG2000 within AA.
- Students can choose to complete 30 credits in one concentration or 15 credits in two concentrations.
  - Once a student chooses their concentration(s), they need to speak with a USF College of Public Health advisor to ensure the best course choices for each concentration.
- Lower level (1000 or 2000) medical terminology will not replace the 3000 level medical terminology.
- Students who are pursuing a health profession program should select the biological health sciences concentration detailed on a separate Grad Path.

Students interested in the Health Sciences major may contact [ug-cophadvise@usf.edu](mailto:ug-cophadvise@usf.edu)
