

USF WORLD PRESENTS **UNLOCKING THE FUTURE: HOW GLOBAL MEGATRENDS ARE REDEFINING AI, SUPPLY CHAINS, AND TALENT**

Join Deputy Secretary Jason Mahon and Dr. John Pournoor for an insightful discussion on artificial intelligence, supply chain innovation, and talent acquisition. Discover how these transformative megatrends are shaping business development and driving growth in our region.

Attendees will receive a copy of the 2025 edition of Government Analytica's Top 12 Geopolitical Megatrends.

FEBRUARY 11, 2025 | 8:00-10:00 AM
